The image shows two screenshots of the NetSuite Customer Center interface. The top screenshot displays the main dashboard with a navigation menu on the left. The 'Settings' section is expanded, and the 'Change Email/Password' link is circled in red. The bottom screenshot shows the 'Change Email & Password' form, which includes fields for 'Current Password', 'New Email Address', 'Confirm New Email', 'New Password', 'Confirm New Password', and 'New Password Hint'. The 'New Email Address' and 'Confirm New Email' fields are pre-filled with 'openair@openair.com'. The 'Current Password' field is highlighted in yellow. The form also includes 'Save' and 'Cancel' buttons at the bottom.
